

Hypoxia and the SAMI High Altitude Chamber

Dr. Paul Busa, the founder and director of Southern Aeromedical Institute (SAMI), author of "Scenario Based Physiological Training" and "Crew Based Physiological Training", who has conducted over 3000 pilot flights in the Altitude Chamber will discuss the physiological criteria and scenarios of pilot experiences. Q & A will be exciting.

Directions: The Flight Safety Hangar is across from the tower and just west of the Main Terminal Building. Enter on the west side of the hangar, Room M.

A message from the National FAASTeam Manager

Invite a fellow pilot to the next WINGS Safety Seminar in your area.

Sign up for the FAA's safety services at www.FAASafety.gov!

The FAA Safety Team (FAASTeam) is committed to providing equal access to this meeting/event for all participants. If you need alternative formats or services because of a disability, please communicate your request as soon as possible with the person in the "Contact Information" area of the meeting/event notice. Note that two weeks is usually required to arrange services.
